BOARD OF CONTROL

What is the Board of Control?

Under the supervision of Karl J. Weber, Vice-Principal, and the leadership of the Student Body president, the Board of Control attempts to solve the problems that confront the student body at any time during the school year. It is an organization of student leaders, elected by each roll room to serve one semester. Through this legislative body students have an opportunity to participate in school government, administration, management, and control of problems relating to student welfare.

The various aims of the board are primarily: To sponsor, promote, co-ordinate, and encourage greater student participation in school activities, help in the internal administration of the school by participating in the management of the school; through student committees studying problems of discipline, finances, elections, assemblies, etc., provide opportunities for developing leadership and at the same time reaching mutual understandings of these problems; and stimulate and develop school spirit, school loyalty and school pride.

The board has power by majority vote, subject to the veto of the advisor, to make improvements in the school government and its surroundings, providing these decisions do not conflict with the policies of the Board of Education. It is the practice of the board to hold meetings once every two weeks and when it is necessary, special ones may be called. The class representatives get their opportunity to participate in the numerous discussions of various problems and play a deciding factor on some of the issues that come before them.

By the students, of the students, and for the students; that's our Board of Control.

GIRLS' CLUB

Under the leadership of Mrs. Mehus, the Girls' Club has had a successful year. The officers are President, Helen Baskett; Vice-President, Pat Peterson, Secretary, Georgia King.

Activities for the year began with the Girls' Club Conference at Sumner. Also there was the Courtesy Week, climaxed by a tolo dance and the crowning of the queen and king, election of officers with the usual campaign speeches; the Mothers' Tea; installation of new officers and the several Girls' Club meetings.

Branches of the club are the Standards Committee, Bulletin Board Committee, Regulation Committee and Friendship Club.

A popular feature this year was the monthly selection of the "Girls of the Month" and at the close of this year the election of the "Girl of the Year."

BOYS' CLUB

Under the leadership of President Clayton Evans, Vice-President Tom Winders, and Secretary Jack Brattus, the Boys' Club of 1951-1952 had a memorable year.

At the first Boys' Club assembly of the year, Tom and Richard Dobson gave a talk on their trip to Austria. They illustrated their story with colored slides.

Two Renton police officers gave a talk on crime detection and on narcotics and the Pep Band played several numbers, one of which was dedicated to Mr. Wilbur "Shorty" Luft, the Boy's Club adviser, during the second assembly of the year.

On Career's Day, December 7, 1951, eighty-eight seniors boarded two busses to go to Highline for the College Conference.

January 29, 1952, Dads' Night, featured a football motion picture, one on the Greater Seattle area, the Pep Band, a pantomime by Terry Shaw, community singing led by Mr. Glenn Berg, and as guest speaker, Mr. Thomas Dobson.

TORCH

The organization in Renton High School which honors scholastic achievement is the Torch Society. To attain membership in this organization, a pupil must maintain a 3.2 grade average three quarters out of four. A student who does this the three years of his Sr. High career is the proud recipient of a permanent pin and is entitled to wear an honor cord at Commencement.

This year's officers are Dick Clarke, President; Gordon Ranum, Vice-President and Jackie Baggett, Secretary.

The Torch Society, under the direction of Miss Chandler, sponsors a number of activities each year. The first of these is an assembly where juniors and seniors are awarded pins earned the previous year. This is followed at the holiday season by the decorating of a Christmas tree in the foyer, and in the spring, the Torch Breakfast to which all Torch alumni are invited.

LIBRARIANS

Our library, under the careful supervision of Miss Dusalina Cavaletto and her assistant Miss Doreen Balzarini, has again this year proved useful and helpful to the students and teachers

Aiding Miss Cavaletto and her assistant are twenty librarians, whose duties are to check in and out the books and magazines, keep the book shelves in order, clip newspaper and magazines, mend books and take care of pamphlets and bulletin boards

CHESS CLUB

The Chess Club consists of a group of students who meet once a week under the leadership of Mr. D. M. Larson to play chess for their own enjoyment. The club is open to any who want to join and the beginners are taught the game

Tournaments are held to add interest to the competition

Officers for the first semester were Clark Crawford, president; Eugene Kerr, vice-president; Mickey Donovan, secretary. Second semester officers were Stan Huseland, president; Clark Crawford, vice-president; Janet Williams, secretary

THE CHIEFTAIN

For the first time in many years the Chieftain had a boy editor, Ed Eaton, first semester. Other members of the staff were as follows: Rita Meade, associate editor; Stanley Huseland, sports editor; Myrna Siebens, feature editor; Beverly Reynolds, exchange and copy editor; Don Cheever, club and photography editor; and Beverly Seales and Virginia Janisch, morgue editors. The first-semester staff published the first eight-page paper at Christmas time.

The second semester had as co-editors, Charlotte Ledingham and Joyce Skellinger; sports editor, Bill Berry; feature editor, Gary Gurley; assistant feature editors, Georgia King and Donna Tinney; exchange editor, Georgia King; copy manager, Joe Prather; morgue and club editor, Pat McTigue; and photography editor, Ramona Kennedy. Miss Anderson is adviser.

The first semester advertising staff consisted of Larry King, advertising manager, Larry McDaniel, circulation manager; plus Tom Young, Paula Artzer, and Donna Acree.

Those on the second semester advertising staff were Judy Miller, advertising manager; Beverly Clymer, business manager; and Carole Novotny, circulation manager.

ANNUAL STAFF

Without this important organization of our school, the 1951-52 "Illahae" publication would probably not be possible! A lot of credit goes to Miss Schlauch, their adviser, Barbara Berry, Chief Editor, Janet Williams, Junior Editor, and all the capable members of the staff.

The staff members are assigned various write-ups of school activities and events which have taken place during the year. The staff also chooses a cover and a theme and arranges the pictures.

Special mention should also be given to Miss Mitchell and her art students, M. Fox and the members of the Photo Club and Mr. Larson, who have worked hard to help make this year's annual one of the best ever.

PHOTO CLUB

The active members of the Photo Club under the direction of Mr. Dury A. Fox have completed another successful year with Don Cheever, president; Jeray Holmes, vice-president, and Gayle Myers, secretary.

One of the purposes of the Photo Club is to take pictures for the "Illahae," "The Chieftain" and the local Renton papers.

The club has regular weekly meetings at which time the members were taught the procedures in the taking and developing of pictures, as well as many other principles of good photography.

ROW 3 Ralph Booth, Isiah Reynolds, Lee Ford, Chester Peralta, Tex Halladay, Ben Cabreros, Monty Warren, Larry King.

ART CLUB

The Art Club serves the whole school by doing art work for practically every activity.

They are the artists who produce division pages and other art work in the annual. They make posters to advertise the various events of the school. They do many of the pictures and backdrops for the plays and have a big part in the decorations for the Junior Prom and the Senior Ball.

Besides their required duties they make their own exhibits and try to improve their knowledge in the field of art.

The Renton Art Club adviser is Miss Mitchell; Ben Cabreros, president; Chester Peralta, vice-president, and Jerre Howard, secretary.

COMMERCIAL CLUB

Congratulations to the Commercial Club for another successful year of their services. Under Mr. John Henric's excellent supervision the officers, President Carolyn Orvella, Vice-President Joyce Hige and Secretary Ardene Best, have done an outstanding job.

Mr. Henric has the girls make a first, second and third choice of working for football games, basketball games, or plays and sports. He then has them work for their choices in different shifts, while he and the officers keep a record of the points earned by each member for plaque credit.

The girls also take credit for the attendance at various school activities, sell tickets at basketball games and school plays and work on fund-raising sales. Some members spend the lunch hour during football and basketball seasons, selling advanced tickets to the games.

During the football season they sell programs at the games. Fans may hear the familiar cries from the Commercial Club members, "Programs! Buy your program here!" Yes, the members have all worked hard.

USHERS' CLUB

The Ushers' Club of Renton Jr.-Sr. High is based on the principle of rendering service to our school and to the community. Its objective is to carry out the duties of ushering at such school activities as Football and basketball games, school plays, musicals, and Commencement exercises.

Members are selected by an executive board after students have indicated that they wish to join the club.

The executive board this year consisted of the following girls: Mary Nard, president; Jackie Baggett, vice-president; Marlene McQuade, secretary, and Joan Irwin and Margaret LaValley, officers. Mr. Daniel Rich is the adviser.

OFFICE WORKERS

Another year has slipped by and as usual the office workers have successfully carried out their jobs.

The helpers in the Main Office, under the direction of Mrs. Warren and Mrs. Myers, busily answered the phones, called students out of class and did other various jobs. Those who assisted Miss Holt in the Attendance Office in filing and keeping the records, worked with the students in the study hall, kept the records for them and giving the information which they were seeking for the Counselors. Boys from study hall helped with the records by collecting absentee slips from each of the rooms.

While these offices were busily conferring with each other we should remember the offices such as the S.B.A. store where the students, directed by Miss Lundy, courteously supplied us with school goods. We also have the students who assisted the I.F. teachers in the quiet room and those who helped Mr. Haze in the Mimeograph room. We should not forget Miss Shuck and her helpers in the Nurses' Office as they were very busy and put in our daily hours on time.

Congratulations, Office Workers, you have done a good job!

DISTRIBUTIVE EDUCATION

"Bigger and Better" is the way to describe this year's Distributive Education Club

"Bigger" in the sense that the originally chartered club, due to the increased membership, was forced to split into two sections. The officers of one club are President Al Aarhus, Vice-President Donita Foster and Secretary Joan Irwin. The second group was led by President Loretta Caniparoli, Vice-President Roger Gavin and Secretary Don Phillips. Mr. Archie Breslin is the adviser of both groups

"Better" in the sense that the club now has more apparatus with which to work. The display windows in the new wing of the building lend themselves to better practice in window decoration and displays

The club is affiliated with state and national Distributive Education Clubs. It sent representatives to the state convention where Loretta Caniparoli was elected secretary of the Washington's Retailers Club

The club hopes to send a representative to the national convention. Since the Annual must go to press so early in the year, we are not sure whether this has been done or not

SCIENCE CLUB

The brain-child of a number of students interested in delving deeper into various branches of science, the Science Club is promising to be both interesting and active

The club is divided into small interest groups, and the members, chosen on the basis of interest, past projects, and freedom to participate in club activities, may participate in any of these groups. Each one of these groups is expected to take over one of the monthly meetings. Individual members are also given club time to present projects of their own

UNITED NATIONS

The United Nations Club, during the past few years, has grown to be one of the most active and up-to-date organizations in school. It gives its members a chance to get together and discuss and work out interesting but still educational programs concerning the many world problems facing us today.

The U. N. Club is made up of two main groups; namely the Central Council and the General Assembly. The Central Council consists of elected representatives from each of the four foreign language clubs while the General Assembly includes each member of the four language clubs. The Central Council meets two times a month at which time, under the direction of Mr. Larson, the General Assembly meetings are planned. The General Assembly meets after school once every six weeks.

Some of the subjects discussed this year were: Iranian Oil Question, Important Sections of the U. N. and Genocide.

The officers for the first semester included: President, Bill Nichols; Vice-President, Richard Dobson, Secretary, Arlene Stokes; and Librarian, Ramona Kennedy. The second semester officers were: President, Bill Nichols; Vice-President, Janet Williams; Secretary, Betty Somers; and Librarian, Nancy Croyle.

GERMAN CLUB

The German Club (Der Deutsche Kreis) is now in its fifth year with Mr. Larson as the group adviser.

First semester officers were President, Don Hehr; Vice-President, Vern Ingram; and Secretary, Charlotte Coldmann. Second semester officers were President, Don Custer; Vice-President, Kathleen Cochran; and Secretary, Donna Murdoch.

The club's activities include singing Christmas Carols in the hall, having panels and reports at their meetings and also playing German bingo games and German movies and travelogues on Germany.

People eligible to German Club are both past and present German students interested in learning more about the country and people whose language they speak.

LATIN CLUB

The Latin Club bid a fond farewell to Miss Elizabeth Gillis, Supervisor, and their officers: President Don Cheever, Vice-President Paul Guay, and Secretary Darlene Butkovich as their second year of "Latina Lingua" drew to a close.

Some of the activities of the year included the annual Junior Classical League Convention held at the University of Washington on November 10, 1951, during which Arlene Stokes was elected Washington State J. C. L. Secretary. An exchange assembly was held with Holy Names, consisting of a Caesar pageant on the Ides of March; the publishing of the J. C. L. Bulletin in April and a program for the Latin students of next year in May, 1952.

The final activity of the Latin Club was the completion and burying of a time capsule, containing invaluable information for the incoming Latin students, to be opened after the installation program next year.

FRENCH CLUB

Hey you! Mademoiselle et Monsieur, parlez-vous français? Well, we make an attempt. The purpose of the members of the French Club is to learn more about the country and its customs, styles etc. Recently we have tried our hand at carrying on conversations in French.

During the first semester the meetings were carried on by President Bernice Martin, Vice-President Sonia Edwards, and Secretary Mickey Donovan.

Leaders in the second semester were President Janet Williams, Vice-President Diane Lyons, and Secretary Maryse Kirschner. Donald Larson ably advised the club.

Representatives to the United Nations Club were Mickey Donovan, Ramona Kennedy, and Betty Somers.

SPANISH CLUB

The Spanish Club consists of students now in Spanish classes and those who have taken one year of this language.

The purpose of the club is to learn and comprehend the beliefs and ideas of Spain and the Spanish speaking countries of Central and South America and to better understand the Spanish language.

The meetings are governed by the executive board. Mr. Larson the adviser, and the club officers.

Interested in the affairs of the world the club elected four members to represent them at the United Nations Club meetings.

The officers this year have been President, Lee Anna Doddridge and Barbara Easterbrooks, Vice-President, Pat Peterson and Marilyn Meade, Secretary, Mary Smith and Marie Stauss.

JUNIOR RED CROSS

This year as usual, the Red Cross Council has had another active and useful year, helping to organize and plan the activities for the Junior Red Cross in our school for the year.

The Red Cross Council consists of one representative elected from each roll room. It is divided into three committees, those being Community Service, National Service and International Service. Each member of the council is allowed to choose the committee on which he wishes to serve. The chairman for this year's council was Cliff Creek. The secretary was Barbara Berry.

This year's activities have included the membership drive, the making of toys at Christmas time for needy children of servicemen and children in hospitals, and sacking candy for the Community Halloween and Christmas parties. The music department also participated in the Red Cross International Music Project.

Miss Shaft and Mr. Hubbard are the advisers for the council.

LETTERGIRLS

Membership of the Lettergirls Club is extended to those girls earning a letter in after-school sports, which is under the supervision of Miss Agnes Stewart. The club officers are, President Rena Franceschina, Vice President Jackie Baggett and Secretary Mary B. adeau. Because of the large number of girls who have lettered in sports, the meetings are held after school once a month. There all the business of the club is transacted and those who are outstanding in various activities are selected for their inspiration to their teammates.

LETTERMEN

The Lettermen's Club, or the Big "R," is supervised by John Suzick whose job it is to see that the members carry out the objectives of their club. The purpose of the club is to render services to the school, to further promote better sportsmanship, and to aid in all athletic functions. Membership in the club is obtained by earning a letter in a major sport.

The Lettermen's Club at Renton High is run differently from those of smaller schools in that they do not have funds of their own. Because of this the annual Lettermen's Ball at the North Renton Rec. is financed by the Renton Recreational Council.

The duties of the members include that of Hall Patrol, patrol at basketball games and work connected with the preparation of the gym. Then there is your stadium parking patrol and your track job of carrying hurdles for the dashes and races.

The boys who held the executive spots this year are President, Don Carlson; Vice-President, Jim Baggett, and Secretary, Tony Smart. Hats off to the boys as they have done a good job and deserve all the praise they have received.

HALL PATROL

You may ask why it is so quiet during fourth period, it is because of the splendid work done by the Hall Patrol.

Mr. Suzick, their adviser, has nine competent boys who are lettermen and have fourth period study hall. Richard Rocky is the captain. These boys do much in maintaining order in the halls.

PARKING PATROL

The flashlight wavers that one sees in the parking lot of Renton Stadium before and after football games is the Parking Patrol. A division of the Lettermen's Club, it is now under the supervision of Mr. John Suzick, efficiently directs hundreds of cars at each game to a parking spot.

The patrol is awarded plaque credit if it is supplemented by another lettermen's activity.

FIRE PATROL

The Fire Patrol, under faculty supervision of Wilbur Luft is made up of students both in junior and senior high school, 73 in number. This organization consists of Junior and Senior High Chiefs John Barlessand and Bob Thomas and captains who post and supervise the stations of the Junior-Senior High School building.

Duties of a student fireman are many. During a drill he must first make sure teachers have closed all windows and doors of their rooms and be sure all persons are out of the building and a safe distance away. It is an obligation of the student on the fire patrol to keep his eyes open for any fire hazards and report them to his adviser.

During the atomic air raid drills the patrol makes sure students are lined up against the wall properly and quietly. These are much like the fire drills.

Although one week during the year (Oct. 8-13) is set aside for the observation of prevention, Mr. Luft thinks that not enough emphasis is put on the importance of the fire patrol.

PEP BAND

The Pep Band, under the leadership of Mr. Rockhill, has just completed its thirteenth year at Renton. The superstition about the number 13 has not proved out in the case of this group as the Pep Band has been very successful in this, their thirteenth year.

Besides playing for basketball games, pep assemblies, the Winter Band Concert, and the Exchange Assemblies, the band also entertained at many civic programs during the year.

This all boy organization plays many styles of music but their specialty is swing arrangements. On these they work long and hard and make a great way. "Hats off to the Pep Band!"

CHEER LEADERS

This year's cheer leaders included three "gals" and one "guy". Under the direction of Mrs. Hannus, they put in many hours planning pep assemblies and learning new routines. It was their duty to lead the student body cheering section and keep the school spirit running high.

Rain or shine these faithful yell leaders attended the football and basketball games and poured out every ounce of pep and enthusiasm they could muster. The three "gals", Bev Seles, Virginia Janisch, Rita Mead, and the "guy", Don Neuberger, deserve the congratulations of the entire student body for their fine work in 1951-52.

BAND

As usual, our popular band had another busy year in 1951-52. This year's band, consisting of 74 members, was the largest ever.

They started the year out by playing at the University of Washington Stadium for the third straight year which is an exceptional honor for a high school band. Next, they performed at the Puyallup fair in the Education Building. As you all remember, during the football season, they put on extensive maneuvers during half time at every home game.

Their next performance was their 13th annual Winter Band Concert, which was another outstanding performance. After the Concert, the public was invited to look at the band's new quarters—a big improvement over the old band tower. During the month of January the band put on a concert for Foster High School at Foster. The Band entered the contest this year as usual. For the past eleven years they have received a rating of superior.

Some members of the band, who do lots of hard work and deserve much credit are the Band managers and the Band Council. These members put in a lot of extra hours straightening out the uniforms and generally making themselves useful. They do all of the behind-the-scenes work for performances and don't get much credit. The Band Managers are Judy Battello, Lois Roosa, and Carlene Carlson. The Band Council consists of Don Pirie, Dare Schaut, Dick Schoof, Dick Clarke and Gary Kawachi.

Let's all give our band three big cheers for the swell job they have done this year and wish them, in the following years, all of the success and good luck that they have had this year.

ORCHESTRA

The Renton High School Orchestra of 1951-52 is one of the largest groups of its kind in the school's history.

Besides having more members, the organization is also one of the finest and has an outstanding string section.

The orchestra, under the direction of Mr. Randall Rockhill, performed, among other things, for the following activities: Fall Play, Christmas Concert, Baccalaureate and Commencement.

They also participated in an annual Western Washington Orchestra Contest, in which they received superior rating with special mention last year.

CHORUS

The Senior High Chorus, a group of about 100, has played an important part in the musical activities of the school this year. The Chorus this year was directed by Mr. Glenn Bergh.

In addition to the annual Christmas and Spring Concerts the group also contributed an active part to the success of the All School Show, "Once In a Year." They participated in the annual Choral contest which was held at Auburn this year. The chorus made several performances for local service clubs. Their last public appearance was at the baccalaureate service for the graduating seniors.

GLEE CLUB

A splendid example of Renton's fine music department is the Girls' Glee Club, directed by Mr. Glenn Bergh.

Being the first Girls' Glee Club to use the new building, the girls feel that they have something special to live up to.

The club offers much enjoyment to its 67 girls, as well as a growing musical education. Their many renditions are performed only when Mr. Bergh feels that they are near perfection.

Their work in the Spring and Winter concerts has exemplified their high musical standing, achieved largely because of their efforts and cooperation.

DRAMATICS CLUB

The Dramatics Club is supervised by Mr. Harley Kirk with Mary Nard presiding; Margie Wicknenko vice president and Darlene Welch, secretary. There are thirty-three members in all. Their motto could be "Few in number but efficient."

The purpose of the club is to give students the opportunity to study drama outside of their curriculum. The Dramatic Club also takes charge of the Thanksgiving assembly, and has a large part in the exchange assemblies with other schools.

New members are chosen at the beginning of each school year by those already members of the club. The choices are made on the basis of points. A person is judged on poise, originality, and talent.

MAKE-UP CREW

Another successful year of the make-up crew has come to a close and the make-up box has been put away until next year. Mr. Hansen advises the crew. It consists of 20 members, who have all worked hard with the help of the chief technician Mickey Donovan and head technicians Darlene Butkovich and Sarah Jane Allison.

During the school year the crew worked on three major plays: the senior high play, the all school show and the senior class play. Other scheduled jobs were that of the Thanksgiving assembly and making up the Kiwanians as clowns for Halloween.

The crew also studied various types of make-up by experiments with photography. This year they obtained new equipment in their cover-all aprons, and the new make-up box.

STAGE CREW

This year there are eleven boys and one girl on the stage crew backing our assemblies and dramatic productions. They are supervised and instructed by Mr. Harley Kirk, Mr. Philip Hansen, and Mr. Mann, who also works behind our excellent settings and lighting.

Without this crew of fine workers, our productions could not be of such high caliber. They are in charge of lighting, staging and the scenery for our stage productions. They work many hours throughout the year without gaining very much recognition.

So let's give them a big hand for their fine work!

P. A. CREW

Perhaps all you ever notice about the P. A. Crew are a few boys setting up and testing some machines but these boys really make an assembly click. The P. A. Crew sets up and fixes some of the equipment. Mr. Ken Pattie, their supervisor, also operates the movie projector. When attending an assembly or athletic event the people taken for granted most often are the P. A. Crew, the backbone of that event.

FOURTH ANNUAL HOMECOMING

This year Teresa Allingham reigned over Renton's Fourth Annual Homecoming on November 16. Her Princesses were Helen Baskett and Virginia Janisch.

The Queen and her court were honored at the annual game, and the dance at the Spanish Castle.

During the week prior to the coronation, the girls were guests of various service clubs of Renton.

At the half time Queen Teresa was crowned by our Queen of 1950, Laverne Schmolke.

During intermission at the Spanish Castle, the Queen was presented with a ring of her birthstone, as her birthday was celebrated several days before the Homecoming, and the members of her court were given pearl necklaces.

SENIOR BALL

One of the biggest events of the year was the Senior Ball, with an "under sea" setting as the theme. Music was furnished by Ted Carper and his orchestra.

Intermission program was announced by Rita Mead, mistress of ceremonies. Charlotte Ledingham recited a poem about under sea with other seniors acting it out. Darlene Welch and Claudette Aasen did a novelty number. The Girls' Trio and Boys' Quartet sang a few numbers.

Faculty general chairman was Bernice Lloyd who worked with various committees to give all who attended a very enjoyable and memorable time.

TOLO DAYS

February 18-21 are historic days at dear old Renton High. Not only was it Courtesy Week, but Leap Year, too!

Monday was dedicated to "Mind Your Manners Day", followed by "Friendly Day", with students being pleasant to everyone. The next day being "Treat Day", the girls were prepared with gum and candy for their boy friends. Thursday saw the students dressed "fit to kill" for the obvious reason that it was "Dress-up Day". An assembly was held this day.

Courtesy Week came to a fine finish with Richard Rockey and Claudette Aasen being crowned king and queen of the tolo dance. The theme was "Daisy Mae" and "Little Abner."

JUNIOR PROM

Come to the "Mardi Gras"! That was the theme selected by the Junior Council under the direction of Miss Husby. The council members were Jonell Drazich, Jan Schauer, Darlene Butkovich, Jackie Irby, Donna Bruce, Lois Illian, Tom Winders, Ron Shields, Bill Berry, and Don Custer.

During intermission the Master of Ceremonies, Don Custer, presented various numbers to entertain all those attending the Prom.

This year's Prom was as gay and colorful as ever with decorations pertaining to the Mardi Gras. This was all elaborately done and all the hard work was recognized the moment you stepped into the beautiful surroundings.

FOOT

This year the Renton Indians football team coached by Leo Ward, took second place in the Puget Sound League, bowing only to the Sumner Spartans. The team played eight games, winning six, tying one, and losing one for an over-all percentage of 75 per cent. The Indians were a regular power house on the ground, gaining 52 yards per carry, while they were equally strong in their defense, holding their opponents to 21 yards per try.

The team also shared honors for All-Conference and All-State. The boy for All-Conference first string and All-State was Captain Clayton Evans. Second string All-Conference included Wynn Hess, Gene Pedersen, and Loren Irwin, while for Honorable Mention were George Strugar and Shelly Gerarden.

The squad this year did a good job. Hats off to them!

Beaten out by the Puyallup Vikings for the league crown in the final game of the 1951-52 season, the Indians had to be content with second-place in the Puget Sound League, winding up league play with a 14-2 record and a 17-3 seasonal mark.

George Strugar, Renton's top scorer of the campaign, was Renton's representative on the first five "All Conference Team." Farrell Brodie was named to the second team. Jack Brattus received honorable mention.

With Don Murdoch and Brodie the only two graduating seniors, Coach Irv Leifer will have a nucleus of eight returning lettermen which should provide a real pennant contender for the 1952-1953 season.

BASEBALL

The Renton Indians, as coached by Bill O'Brien, have five returning lettermen. This year's ball club has lots of hustle and competition at most positions. Although lacking experience in a few spots, this year's team will have speed and good batting power.

The catchers are Dick Hicklin and George Strugar. The pitchers are Skip Gunderson, Jim Hansen, Gary Thompson, Larry Henry and Gary Kawachi. First base is held down by Gene Pedersen with reserves Fay Miller and Ray Ohman. Down at second base are Dick Raub, Jake Janders and Tony Smart. In the short-stop spot are Don Carlson and Don Dowdell. Third place regular Chuck Burdulis is aided by Mel Bowden and Bob Thomas. The outfielders, Clayton Evans, Doug Troyer and George Smith are backed up by Remo Nicoli, Charles Burks, Al Benson, Don Gunderson, Mike Kramer and Mike Galvin.

TRACK

A pre-season look at the 1951-52 track squad, early in April, showed the Indians to be strong in every track and field event with the exception of the shot and discus.

With a returning letterman in every event and a number of outstanding boys up from last year's Junior High team, Coach Dwight Felton said he was rather hopeful of the team going all the way this year.

Some of the boys who had been showing well in pre-season turnouts were Dick Rockey, Darrell Webster, Don Murdock, Loren Irwin, Ron Heiret and Jim Baggett.

FRONT ROW Bob Perelli, Ted Harper, Terry Harper, Milton King, ROW 2 Don Olson, Dick Spencer, Tony Mancias, Richard Nichols, Paul Duke, Alton Tomlinson, Tom Winders, Chris Upper, Bob Hartman, Richard Dobson, Carl Mahnken, Jerry Clayton, Walt Wilson, ROW 3 Mickey Zevart, Bob Miller, Jack Hougardy, Ron Rolia, Carl Martin, Darrell Webster, Al Ausman, Don Emmons, Loren Irwin, Phil Harrison, Paul Guay, Tom Dobson, Mike Roberts, Charles Williams, Bob Lievens, ROW 4 Bob Smith, Gary Routley, Frank Tobacco, Lloyd Tonkin, Jerry Williams, Dick Schopf, Lyle Olson, Don Murdock, Ken Bowden, Louis Schutz, Ken Edwards, Bill Monson, Gary Morison, Jay Ernest, Richard Rockey, Jim Baggett, Jack Schroeder, Bob Fogelman, Ron Hieret

GIRLS' SPORTS

Miss Agnes Stewart was the director of this year's activities. Her assistants were Miss Virginia Greenlee, Mrs. Olga Wranstedt and Miss Patricia Bunch.

The sports in which the girls could participate were Volleyball, Basketball, Softball, and Bowling. Letters and plaque credit were awarded to seventy-five percent of the girls having the greatest number of points. Five points were given for each tournament and two points for being on the winning team. At the end of each sport the team in first place received an additional ten points, and second place received an additional five points. A bonus of one hundred points was given to every girl having perfect attendance in all the sports with the exception of Bowling.

Girls' Sports has proven itself to be very popular with the senior high girls. It not only taught sportsmanship, but also provided a place to meet new friends.

The Heritage of the Class of '52...

GRADUATES — You are about to become a part of the pulse of a vast, free nation — use your education wisely to keep that pulse pounding.

The strength of America's pulse depends upon your knowledge to make just decisions, to work diligently, to express your opinion through a privileged vote.

You constitute a block of informed people endowed with independence for thought and action, with freedom to invent and invest, with courage to run risks and reap rewards. Recognize these assets . . . protect them!

Your country needs your knowledge to retain its freedom, to build its industries, to help guide the world and be righteous before God.

Remember, it's *YOUR PULSE*, keep it strong!
